

HONDALINE

PACIFIC COAST ACCESSORIES 1990

AUDIO SYSTEM

A Kenwood® AM/FM Radio and a power booster that puts out an additional 15 watts per channel. Handlebar mounted switches allow fingertip access to 5 preset stations, volume control and AM/FM selection. Two water resistant speakers and an antenna are included in the set.

HEADSET (not shown)

Helmet headsets move the speakers closer to the ear for much improved sound quality. The Headset Adaptor is required to connect the Headset to the Pacific Coast™ radio system.

Note: The 1989 Color-Matched Pacific Coast Helmet is specially designed to accept the Hondaline® Pacific Coast Headset.

Headsets may be illegal in your area. Check state and local laws before purchase.

FRONT MUD GUARD

Helps keep water, mud, and other debris off the motorcycle and driver. The Front Mud Guard is constructed of soft, rubber-like material for durability.

SCUFF PAD SET (not shown)

Protect the top of the rear trunk and the shift lever/rear brake pedal area with the seven piece, clear plastic, Scuff Pad Set. The plastic pieces are self adhering and are nearly invisible when installed.

TRIM KIT (not shown)

Help minimize cosmetic damage, to your '89 Pacific Coast, in the event of a no-speed fall over with the Hondaline® Trim Kit. The kit consists of four, rubber-like, self adhesive strips that are strategically placed on the plastic covers that fit over the four bumpers.

EXTRA COVERAGE WINDSCREEN

Constructed of scratch resistant Lexan® for long lasting performance. The approximate dimensions are: up to 2.5 inches wider per side and 6.5 longer which equals about a 5 inch vertical difference over the standard 1989 windscreen. A windshield mount is required for the 1989 model.

FRONT NOSE MASK

Offering modern styling and cosmetic protection, the front nose mask is made of thick black vinyl.

BODY COVER (not shown)

Protect your motorcycle from sun, rain, and other elements. The Pacific Coast™ Body Cover is specially designed for the Pacific Coast. Constructed of urethane coated Dacron® polyester, it is vented and has a soft material in the windshield area to prevent scratching. An elastic shock cord is sewn along the entire lower perimeter for a snug fit and metal grommets are sewn in, to provide cable security. The cover folds into its own sewn in pouch for convenient storage.

TRUNK LIGHT

The Trunk Light makes cargo loading and unloading quicker and easier by illuminating the trunk interior.

TOP SPOILER AND LOWER SPOILER

Add a distinctive, contemporary look to your Pacific Coast™ with Hondaline® Top and Lower Spoilers. The spoilers are color-matched and aerodynamically styled for a flowing, integrated appearance.

BACKREST

The Hondaline® Backrest offers added comfort for passengers. The all metal construction frame is strong and durable and features a pad that matches the seat color.

TRUNK MATS

Finish off the interior of your Pacific Coast's™ storage compartment and provide extra protection for cargo with the Hondaline® Trunk Mats. Constructed of high quality carpet, they are cut to fit the interior of the rear trunk and have bound edges for durability.

INNER TRUNK BAGS

A quick and convenient way to load and unload your valuable cargo. Constructed of durable nylon Cordura®, the two piece set is specially shaped to fit in the trunk of the Pacific Coast™ 800.

Cordura® is a registered trademark of DuPont Corp.

Lexan® is a registered trademark of General Electric.
